

# SAM MACDONALD | Curriculum Vitae

 Website •  smacdonald5@huskers.unl.edu •  GitHub •  LinkedIn

## RESEARCH INTERESTS

I am primarily interested in mathematics education and expanding the accessibility of mathematics. Specifically, I am interested providing college level courses for prisoners and expanding access to educational resources behind bars, developing Open Educational Resources (OERs), and in studying shifts in mathematical self-efficacy at transitional points in undergraduate education.

## EDUCATION

### PH.D – MATHEMATICS

University of Nebraska – Lincoln

Advised by [Yvonne Lai](#)

August 2021 - Present

Lincoln, Nebraska

### M.S – MATHEMATICS

University of Nebraska – Lincoln

August 2021 - May 2023

Lincoln, Nebraska

### B.A. – MATHEMATICS

Willamette University, Minor in Political Science

Advised by [Erin McNicholas](#)

August 2016 - May 2020

Salem, Oregon

## POSITIONS HELD

### NSF GRADUATE RESEARCH FELLOW

University of Nebraska – Lincoln

September 2023 - Present

Lincoln, Nebraska

### GRADUATE TEACHING ASSISTANT

University of Nebraska – Lincoln

August 2021 - Present

Lincoln, Nebraska

### UPWARD BOUND INSTRUCTOR

University of Nebraska – Lincoln

Summer 2022

Lincoln, Nebraska

## TEACHING EXPERIENCE

### MATH 208 – CALCULUS III

University of Nebraska – Lincoln

[Online Textbook](#)

Fall 2023

Recitation Instructor

### MATH 100A – INTERMEDIATE ALGEBRA

Reception and Treatment Center

Taught through UNL

Summer 2023

Instructor of Record

### MATH 101 – COLLEGE ALGEBRA I

University of Nebraska – Lincoln

[Online Textbook](#)

Spring 2023

Instructor of Record

### MATH 100A – INTERMEDIATE ALGEBRA

University of Nebraska – Lincoln

[Online Textbook](#)

Fall 2022

Instructor of Record

### MATH 102 – TRIGONOMETRY

University of Nebraska – Lincoln

Summer 2022

Instructor of Record

[Online Textbook](#)

## **MATH 107 – CALCULUS II**

University of Nebraska – Lincoln

[Online Textbook](#)

**Spring 2022**  
Recitation Instructor

## **MATH 106 – CALCULUS I**

University of Nebraska – Lincoln

[Online Textbook](#)

**Fall 2021**  
Recitation Instructor

## **RESEARCH EXPERIENCE AND PUBLICATIONS**

---

### **REU – ALGEBRAIC COMPUTATIONAL BIOLOGY**

Texas A&M University

Advised by Anne Shiu

**Summer 2019**

### **PUBLICATIONS**

Gambacini, B., Jeffs, R. A., Macdonald, S., & Shiu, A. (2021). "Non-monotonicity of closed convexity in neural codes." Vietnam Journal of Mathematics, 50(2), 359-373.

(1)  
[arXiv](#)

## **HONORS & AWARDS**

---

### **NSF GRFP**

University of Nebraska – Lincoln

National Science Foundation Graduate Research Fellowship

**2023**

### **PHIL HANNI STUDENT SCHOLAR AWARD**

Willamette University

[Institute for Continued Learning](#)

**2020**

## **PROFESSIONAL DEVELOPMENT**

---

### **PEDAGOGY COURSE**

University of Nebraska – Lincoln

**August 2022 - May 2023**

Lincoln, Nebraska

Completed a year-long pedagogy course titled "Teaching and Learning Mathematics at the Post-Secondary Level". Topics included:

- Understanding the teaching and learning process
- An introduction to constructivism
- Planning group activities
- Assessing teaching and learning
- Understanding where students struggle
- Humanistic teaching perspectives

## **SELECTED PRESENTATIONS**

---

### **BRINGING THE INSIDE OUT: WHAT PRISON EDUCATION CAN TELL US ABOUT OUR CLASSROOMS, CHARACTER, AND CULTURE**

Joint Math Meetings, AMS Special Session on Ethics in the Mathematics Classroom, January 2024 [20 Minutes]

Kansas Math Graduate Student Conference, University of Kansas, December 2023 [20 Minutes]

Graduate Student Seminar, University of Nebraska – Lincoln, August 2023 [50 Minutes]

### **ARE WE THERE YET?: AN UNFORTUNATELY FINITE GUIDE TO THE INFINITE**

Math RaMP through the Great Plains Alliance, Benedictine College, October 2023 [50 Minutes]

### **FIFTY SHADES OF GRADE: EQUITY, MOTIVATION, AND OBEDIENCE IN TRADITIONAL GRADING PRACTICES**

Graduate Student Seminar, University of Nebraska – Lincoln, January 2023 [50 Minutes]

Mathematics Education Seminar, University of Nebraska – Lincoln, November 2022 [50 Minutes]

Mathematics Teaching Table, University of Nebraska – Lincoln, October 2022 [50 minutes]

### **BE THERE OR $B^2$ : HUMOR THEORY AND ITS USES IN THE CLASSROOM**

Graduate Student Seminar, University of Nebraska – Lincoln, April 2022 [10 Minutes]

### **THE COMPLEXITIES OF CONVEXITY: NON-MONOTONICITY OF CLOSED CONVEXITY IN NEURAL CODES**

Jim Albaugh Colloquium Series, Willamette University, May 2019 [50 Minutes]

Phil Hanni Virtual Conference, Willamette University, April 2020 [20 Minutes]

Texas A&M REU Conference, Texas A&M University, July 2019 [50 minutes]

### **GERRYMEANDERING: MEASURING CONGRESSIONAL DISTRICT MEANDERINGNESS**

Jim Albaugh Colloquium Series, Willamette University. May 2019 [50 Minutes]

## **PROFESSIONAL ACTIVITIES**

---

### **NEBRASKA CONFERENCE FOR UNDERGRADUATE WOMEN IN MATHEMATICS**

**August 2023 - Present**

#### **Organizing Committee Member**

University of Nebraska – Lincoln

NCUWM is a conference for undergraduates that provides opportunities to present undergraduate research and connect with other young women mathematicians.

### **GRADUATE MENTORING PROGRAM**

**August 2023 - Present**

#### **Mentor**

University of Nebraska – Lincoln

Served as a mentor to junior graduate students in the Mathematics Department's Graduate Student Mentoring Program.

### **ALGEBRA INSTRUCTOR**

**Fall 2022 - Spring 2023**

#### **Volunteer Instructor**

Rehabilitation and Treatment Center

Co-taught one year Algebra I course with Kristie Pfabe.

### **GRADUATE STUDENT ORIENTATION SESSION LEADER**

**Summer 2023**

#### **Volunteer**

University of Nebraska – Lincoln

Facilitated informational sessions at the Mathematics Department GTA orientation.

Sessions included: "Facilitating Group Work and Active Learning" and "Mastery Based Grading and Equitable Teaching Methods"

### **LINCOLN HIGH HOMEWORK CENTER**

**Spring 2023**

#### **Volunteer**

Lincoln High School

Worked as a counselor at the Math Resource Center providing tutoring services to students in precalculus, calculus, and contemporary mathematics courses.

### **NEBRASKA CONFERENCE FOR UNDERGRADUATE WOMEN IN MATHEMATICS**

**January 2023**

#### **Volunteer**

University of Nebraska – Lincoln

Volunteered at the Nebraska Conference for Undergraduate Women in Mathematics (NCUWM) conference, an annual conference intended to encourage undergraduate women to pursue graduate study in mathematics and mathematical careers.

### **MATH RESOURCE CENTER COUNSELOR**

**August 2021- Present**

#### **Volunteer**

University of Nebraska – Lincoln

Worked as a counselor at the after school Lincoln High School homework center, providing tutoring services to students in precalculus and calculus courses.

### **NEBRASKA MATH DAY**

**2021, 2022, 2023**

#### **Volunteer**

University of Nebraska – Lincoln

Volunteered at UNL's Math Day, an annual program in which high school students from around Nebraska are invited to take part in mathematics workshops and competitions.

## **STUDENT QUOTES**

---

- "Sam. Just the way he teaches is phenomenal. He is definitely one of the best math TA's and just in general teachers I've had. He is almost always available to help with questions and is very good at getting back to emails. And just the fact that he truly does show that he wants us to learn and to succeed."  
- Calculus II Student
- "I have never had an instructor who so willing gave his best each and every class. Sam went above and beyond my expectations in being available to offer assistance in our course work and answer questions. My success in this course is primarily because of his dedication to giving every opportunity to succeed."  
- Intermediate Algebra Student
- "I can't think of anything that Sam could improve on. He is kind to all students and tries his hardest to help everyone understand calculus. There is nothing he could improve on, and any attempt to imply that he can improve is complete blasphemy."  
- Calculus I Student
- "Sam was a very welcoming and easy person to talk to. I can have a hard time asking for help at times, and his communication skills allowed me to release the fear of asking questions. I enjoyed how he taught, definitely made learning easy and possible."  
- College Algebra Student
- "The strength of this course comes from the teachers. Their ability to help us through our struggles makes the material easier to interpret. You changed my view of math and education as a whole."  
- RTC Intermediate Algebra Student
- "Sam always came with a positive but honest attitude, was very understanding, and truly cared about our success."  
- Calculus III Student
- "I've never felt truly comfortable in a math classroom until I entered this one."  
- College Algebra Student
